Course Improvement & Safety Proposal – Member Submission

The Golf Committee recently received a detailed submission from a member outlining a series of proposed course changes to improve **player safety, course flow, and overall presentation**.

The proposal highlights several key concerns, particularly around **player safety on overlapping fairways**, with multiple near-miss incidents identified—most notably around the current 7th hole, where several playing corridors intersect.

Key recommendations from the submission include:

- **Reconfiguring hole layouts and tee positions** to reduce crossing play and minimise risk
- Installing a **warning bell on blind tee shots** to improve communication between groups
- Adjusting **fairway grass lengths in key areas** to slow ball roll into high-risk zones
- Minor changes to hole structure (including some par adjustments) to improve the **speed of play**
- Better utilisation of **existing tee infrastructure** to enhance presentation and reduce maintenance load

The proposal also emphasises improving **first impressions for visitors**, particularly around the 1st green precinct, while ensuring changes remain **practical and cost-effective** for the Club.

The Committee thanks the member for their thoughtful and well-considered submission, which is currently under review.

Member Feedback – Have Your Say

As part of our ongoing commitment to improving the course, the Golf Committee is inviting **all members to provide feedback** on the layout, safety, and overall playing experience.

We are particularly interested in ideas that are:

- **Safe for players**
- **Practical to implement**
- **Cost-effective for the Club**

Please submit your feedback via the following link: https://forms.gle/c2MDoLGkS7MbVj8N8

All responses will be:

- **Reviewed by the Golf Committee**
- **Summarised into key themes**
- **Grouped and tallied** to identify the most common and supported suggestions

This will help guide future improvements and ensure decisions reflect the broader membership.

Your input is valuable—take a few minutes to have your say and help shape the future of our course.
