

# Macksville Country Club GOLF Newsletter WE Saturday 28/03/2026 and 04/04/2026

It's been another strong week of competition at Macksville Country Club, with great fields and plenty of familiar names continuing to feature prominently on the leaderboard. Players like Lambert, Donnelly, Montague, and Austin are building consistent seasons and regularly finding themselves among the winners and ball recipients. At the same time, it's fantastic to see a number of new names pushing into the results, highlighting the depth of competition across the club. With both seasoned performers and emerging players making their mark, the 2026 season is shaping up as one of the most competitive in recent years.

## Sponsorship Opportunities 2026/27

Macksville Country Club is proud to offer a range of sponsorship opportunities for local businesses and supporters looking to align with a strong, community-focused sporting club. Our sponsors play a vital role in supporting competitions, events, junior development, and the ongoing improvement of our facilities. In return, sponsors enjoy excellent exposure to our members and visitors through regular competitions, signage, newsletters, and club communications. Whether you're a small local business or a larger organisation, we welcome the chance to work together and build lasting partnerships that benefit both the club and the wider

community. If you're interested in becoming involved, please contact the club or a committee member to discuss available options.

## □ Course Improvement & Safety Proposal – Member Submission

The Golf Committee recently received a detailed submission from a member outlining a series of proposed course changes to improve **player safety, course flow, and overall presentation.**

The proposal highlights several key concerns, particularly around **player safety on overlapping fairways**, with multiple near-miss incidents identified—most notably around the current 7th hole, where several playing corridors intersect.

Key recommendations from the submission include:

- **Reconfiguring hole layouts and tee positions** to reduce crossing play and minimise risk
- Installing a **warning bell on blind tee shots** to improve communication between groups
- Adjusting **fairway grass lengths in key areas** to slow ball roll into high-risk zones
- Minor changes to hole structure (including some par

- adjustments) to improve the **speed of play**
- Better utilisation of **existing tee infrastructure** to enhance presentation and reduce maintenance load

The proposal also emphasises improving **first impressions for visitors**, particularly around the 1st green precinct, while ensuring changes remain **practical and cost-effective** for the Club.

The Committee thanks the member for their thoughtful and well-considered submission, which is currently under review.

---

## □ **Member Feedback – Have Your Say**

As part of our ongoing commitment to improving the course, the Golf Committee is inviting **all members to provide feedback** on the layout, safety, and overall playing experience.

We are particularly interested in ideas that are:

- **Safe for players**
- **Practical to implement**
- **Cost-effective for the Club**

□ Please submit your feedback via the following link:  
<https://forms.gle/c2MDoLGkS7MbVj8N8>

All responses will be:

- **Reviewed by the Golf Committee**
- **Summarised into key themes**
- **Grouped and tallied** to identify the most common and supported suggestions

This will help guide future improvements and ensure decisions reflect the broader membership.

Your input is valuable—take a few minutes to have your say and help shape the future of our course.
