

Macksville Country Club GOLF Newsletter WE Saturday 11/04/2026

It was another excellent week of golf at Macksville Country Club, with strong numbers again supporting both weekend and midweek competitions. The 4 Ball Aggregate Stableford produced some impressive scoring, while familiar names continued to feature prominently across the winners' list, ball rundown, and nearest-to-the-pin prizes. It was also pleasing to see new combinations and emerging players making their mark as the season progresses. A thank you to this week's sponsor, Soulitude Health, for their valued support of golf at the Club and for helping deliver another successful round of competition.

- Lost something? The **lost-and-found box** is overflowing! Please check it next time you're at the Club and claim any items that might be yours.
This box is now a free box at the front entry.

Sponsorship Opportunities 2026/27

Macksville Country Club is proud to offer a range of sponsorship opportunities for local businesses and supporters looking to align with a strong, community-focused sporting club. Our sponsors play a vital role in supporting competitions, events, junior development, and the ongoing improvement of our facilities. In return, sponsors enjoy excellent exposure to our members and visitors through regular competitions, signage, newsletters, and club communications. Whether you're a small local business or a larger organisation, we welcome the chance to work together and build lasting partnerships that benefit both the Club and the wider

community. If you're interested in becoming involved, please contact the Club or a committee member to discuss available options.

☐ Golf Committee AGM – Expressions of Interest

The Macksville Country Club Golf Committee AGM will be held shortly (**date to be confirmed**), and we encourage any members interested in the future of golf at our Club to consider Committeehe committee.

The committee plays an important role in ensuring competitions run smoothly, events are well organised, sponsors are supported, and the overall golf experience continues to improve for members and visitors alike. With some members recently stepping down from their positions, we are now seeking new people who are willing to lend a hand and contribute fresh ideas.

There are many ways to assist, and duties can be

sharedCommitteehe committee. Areas where help is currently needed include:

- Securing and liaising with weekly competition sponsors
- Preparing and managing the annual fixture list
- Seeking new sponsorship opportunities
- Competition administration and finishing fields
- Assisting with newsletters and member communication
- Running knockout competitions
- Helping organise and manage Open Days and major events
- Liaising with course staff regarding event preparation, mowing schedules, renovations and course presentation
- General support with promoting participation and growing golf numbers at the Club

You do not need to do everything—many hands make light work. If you are passionate about golf at Macksville Country Club and would like to help shape its future, please consider nominating when AGM details are announced. New faces, new ideas, and shared effort are always welcome.

□ **Course Improvement & Safety Proposal – Member Submission**

The Golf Committee recently received a detailed submission from a member outlining a series of proposed course changes to improve **player safety, course flow, and overall presentation.**

The proposal highlights several key concerns, particularly around **player safety on overlapping fairways**, with multiple near-miss incidents identified—most notably around the current 7th hole, where several playing corridors intersect.

Key recommendations from the submission include:

- **Reconfiguring hole layouts and tee positions** to reduce crossing play and minimise risk
- Installing a **warning bell on blind tee shots** to improve communication between groups
- Adjusting **fairway grass lengths in key areas** to slow ball roll into high-risk zones
- Minor changes to hole structure (including some par adjustments) to improve the **speed of play**
- Better utilisation of **existing tee infrastructure** to enhance presentation and reduce maintenance load

The proposal also emphasises improving **first impressions for visitors**, particularly around the 1st green precinct, while ensuring changes remain **practical and cost-effective** for the Club.

The Committee thanks the member for their thoughtful and well-considered submission, which is currently under review.

□ **Member Feedback – Hav” Your Say?””Last Week.”**

As part of our ongoing commitment to improving the course, the Golf Committee is inviting **all members to provide feedback** on the layout, safety, and overall playing experience. At the end of this week, the form will be closed, and results will be reviewed.

We are particularly interested in ideas that are:

- **Safe for players**
- **Practical to implement**
- **Cost-effective for the Club**

□ Please submit your feedback via the following link:

<https://forms.gle/c2MDoLGkS7MbVj8N8>

All responses will be:

- **Reviewed by the Golf Committee**
- **Summarised into key themes**
- **Grouped and tallied** to identify the most common and supported suggestions

This will help guide future improvements and ensure decisions reflect the broader membership.

Your input is valuable—take a few minutes to have your say and help shape the future of our course.
