

# Macksville Country Club GOLF Newsletter WE Saturday 27/06/2026

As we move through the middle of winter, the course continues to reward good golf, with another enjoyable week of competition producing some excellent scores across both the weekend and midweek events. Congratulations to all of our winners, runners-up and ball winners, particularly **Peter Lambert, David Brunsdon, Dan Luffman and Mick Manning**, who combined brilliantly to take out Saturday's Auto Salon Ambrose, while **Jim Wilkes** continued his consistent form with victory in the midweek competition. It was also great to see **Rhonda McAuliffe** claim the Ladies Stableford, highlighting another competitive week across all sections of the club.

A sincere thank you goes to our generous sponsors, **Auto Salon**, for supporting the Saturday Ambrose and helping make the day such a success. We also extend our appreciation to all of our volunteers who continue to prepare the course, assist with competitions and keep golf running each week smoothly. Your contribution, along with the support of our members, is what makes golf at Macksville Country Club such an enjoyable and welcoming place to play. Congratulations again to everyone who featured in the results, and we look forward to another great month of golf ahead.

## Membership Reminder

A reminder to all members that **Golf Australia/Golf NSW affiliations will be removed for any memberships that remain unpaid**. Once your affiliation is removed, you will be ineligible to play in official competitions and your handicap record will become inactive until your membership has been renewed.

If you have not yet renewed your membership for the current season, please contact the Club and finalise your renewal as soon as possible to avoid any interruption to your golf.

Thank you to everyone who has already renewed their membership and continues to support golf at Macksville Country Club.

The poster features a background image of a golf course with a pond and trees. At the top center is the Macksville Country Club (MCC) logo. Below it, the word "MEMBERSHIPS" is written in large, white, bold, sans-serif capital letters, and "ARE DUE!" is written in a large, dark blue, brush-stroke font. To the left of the text is a large white golf ball with the MCC logo. To the right is a blue flag on a pole with the MCC logo. Below the main text, a dark blue banner contains a calendar icon with a checkmark and the text "DUE BY 30<sup>TH</sup> JUNE 2026". Below this banner, the text "YOUR MEMBERSHIP SUPPORTS:" is followed by four circular icons: a golf flag, a group of people, a trophy, and a golf bag. Each icon has a label below it: "GREAT COURSES", "STRONG COMMUNITY", "QUALITY COMPETITIONS", and "JUNIOR DEVELOPMENT". To the right of these icons is a handwritten-style text that says "Thank you for your continued support!". ## Volunteers Needed

The Golf Committee is seeking assistance from members who can volunteer a small amount of their time to help around the course and support the ongoing presentation of our facilities.

There are a number of tasks where additional help would make a significant difference, including ball collection on the driving range, rough maintenance, course clean-up, gardening, minor repairs, and general course presentation. No special skills are required, and members can contribute as much or as little time as they are able.

As with many community sporting clubs, much of what we enjoy today has been built by volunteers. Whether it's an hour occasionally or more regular involvement, every contribution helps reduce the workload on staff and ensures the course continues to be presented to a high standard for members and visitors alike.

If you would like to lend a hand or simply learn more about how you can assist, please speak with a member of the Golf Committee or contact the Club. Your support would be greatly appreciated.

Below is a Summary of people who have put their hand up, and also shows where we need more help. Thankyou to everyone

already helping out.

## Completing a Scorecard

As a reminder to all players, scorecards submitted after competitions must be completed clearly and correctly. Recently, a number of cards handed in have been difficult to read or missing important details, such as player names, totals, dates, markers’ signatures, and other required information. This creates unnecessary delays and difficulties when finalising competition results at the end of the day.

While golf has always been built on honesty and integrity, it also relies on players taking responsibility for correctly completing and checking their scorecards before submission. Under the Rules of Golf set out by the R&A, players are responsible for ensuring their card is accurate and properly completed. In previous years, incomplete or incorrect cards often led to disqualification. While we aim to keep competitions enjoyable and relaxed, maintaining basic standards is important for the smooth running and fairness of the competitions.

The Golf Committee asks all players to please take an extra moment before submitting their cards to ensure they are legible, signed, correctly totalled, and contain all required details. Your cooperation is greatly appreciated and helps volunteers and committee members process results.
